

ERI

is Hereby Granted **NAID AAA Certification**[®]
by **i-SIGMA**[®]

i-SIGMA is the non-profit trade association recognized globally as the secure data destruction and records and information management industry's standards setting and oversight body.

*The certificate holder has met the rigorous requirements of the NAID AAA Certification program and demonstrated through announced and unannounced audits that its security processes, procedures, systems, equipment, and training meet the standards of care required by all known data protection regulations.**

As a result, NAID AAA Certification also serves to meet all data controller vendor selection due diligence regulatory requirements.

Valid Through: 30 April 2024

The certificate holder is NAID AAA Certified for the following services and media types:

- Facility-based Operation Endorsement for Hard Drive Overwriting, Solid-State Device Overwriting, Physical Hard Drive & Solid-State Device Destruction

Applicable to the following location(s):

- 3250 Abilene Street, Aurora, CO 80011 USA

*NAID AAA Certification specifications are regularly evaluated/amended as necessary and service provider compliance is verified to ensure ongoing conformance with all known data protection regulations including The Privacy Act (Australia), GDPR (Europe), HIPAA, GLBA, FACTA, State-level requirements (USA), and PIPEDA, PIPA, PHIPA (Canada) in their relevant jurisdiction(s), as well as with related risk assessment, incident reporting and data breach reporting procedures and training as required therein or separately.

A handwritten signature in black ink, appearing to read 'Nathan Campbell', is written over a horizontal line.
